Kitoko Botanical Primer Shampoo

Kitoko Botanical Primer Shampoo is specially formulated to remove impurities whilst preparing the hair for a color application. The alkaline formula gently opens the cuticle, enabling optimum color deposit for deeper, richer and longer-lasting results. Sulphate free, Paraben-free, mineral and wax free.

Pre-Pigmentation Spray (ORANGE, RED & YELLOW)

Pre-Pigmentation Spray deposits pure pigment prior to color correction and re-coloration of bleached, lightened or porous hair.

ERASER

A revolutionary, non-bleaching color removal system for unwanted or incorrect hair color.

pH Rebalancer POST SERVICE SPRAY

Post Color Treatment restores the hair's natural pH and locks down the cuticle to retain color for longer.

Porosity Equaliser

Repairs & restructures hair prior to coloring, equalizing porosity for the most even color results possible.
